

## Our Vision

To support positive change in marginalized transgender communities by building transparent, sensitive partnerships, and promoting sustainable development for all of society.

## Our Mission

- Improve socio-economic status of Transgender community with sustainable, long-term support.
- Address harassment, exploitation, and violence.
- Provide counseling and daycare services.
- Support people affected by HIV/AIDS with dignity and care.

## Who We Are

Triveni Samaj Vikas Kendra is a pioneering organization transforming lives of Mumbai's Transgender/Hijra community since 2006. Through awareness, advocacy, and inclusivity, we break barriers, secure rights, and foster social and economic recognition.

Founded with support from Bill & Melinda Gates Foundation, we now collaborate with MSACS, MDACS, and local organizations to drive meaningful change.
